Taking care of your money is rewarding, therefore the Sanlam Reality membership options have been specifically tailored to help Bonitas members save money on travel and entertainment, improve their health and day-to-day expenses, and learn more about achieving financial fitness.

### What does Sanlam Reality offer members?

- More than 20 amazing benefits to help you save time and money. These benefits are divided into the following categories: Day-to-Day Savings, Wealth, Travel, Health and Entertainment.
- Three different membership options available (Reality Health, Reality Core and Reality Club), with Reality Health specifically tailored to medical aid members.
- Family membership options, which allows dependants to join the programme and utilise the benefits independently of the principal member.
- A Bronze, Silver and Gold tiering structure that allows members to earn more discounts.
- A day-to-day transactional shopping card called Money Saver, which pays out an annual or quarterly cash-back bonus. You can earn back up to 10% of your monthly spend when you shop at our list of national retailers. Plus, there are no admin fees on the Money Saver card for three months - that's a saving of R150 upfront!
- An online financial platform called Wealth Sense, with free access to money calculators, tools, tips, digital magazines and more...
